

With so many educational websites available, it can be difficult to find the best resources online. Below is a selection of the sites we recommend:

Teaching Resources

Schoolzone Educational Intelligence - <http://www.schoolzone.co.uk>

You will need to register for Schoolzone, but both registration and downloading resources are free. Contains links to numerous educational websites, lesson plans, worksheets etc.

SEN Teacher - <http://www.senteacher.org>

Printable worksheets, handouts and teaching aids most of which can be customised to suit a range of learners. This site is also a good source of free downloadable education software.

Teachernet - <http://www.teachernet.gov.uk/resources>

Lesson plans, up-to-date news, information on funding and new teaching techniques. Also contains links to other government and independent teaching websites.

Teaching Ideas - <http://www.teachingideas.co.uk/>

Teaching resources broken down by subject. Also includes a Teachers forum where you can share ideas and experiences with other teachers.

Under Fives Early Years – <http://www.underfives.co.uk>

Directed purely at pre-school teachers and nursery staff, this site offers a wide range of resources and activities for 0 – 5 year olds.

Topmarks Education – <http://www.topmarks.co.uk>

Resources for teachers of 3 – 14 years old pupils. Also contains useful materials to give to parents to encourage home learning.

TES Connect - <http://www.tes.co.uk>

A fully interactive website where you can download / upload files, chat with other Teachers / Support Staff and recommend your favourite resources.
